

ECUADOR

**INTERVENTION DURING
THE STANDING COMMITTEE ON GENERAL STATUS
AND OPERATION OF THE CONVENTION**

Geneva, May 11, 2001

Thank you Mr. Co-chair. Just two words to make a precision in the same sense as Mexico did, concerning the status of reports submitted under Article 7 of the Ottawa Convention. As it was mentioned in the meeting of Standing Committee number 1, Ecuador is one of the three countries that has already presented its report for the period 2000-2001 on March of this year.

Thank you again.
